## Venturers Trust and our Sponsors

Venturers Trust is a dynamic and focused multi-academy trust based in Bristol. The Trust is responsible for eight academies, 3,500 pupils and 700 staff with a commitment to making a significant and lifelong difference to the lives of young people from some of Bristol's most disadvantaged communities.

The Trust is currently made up of five primary schools: Bannerman Road Community Academy, Barton Hill Academy, Fairlawn Primary School, The Dolphin School and The Kingfisher School; the all-age Merchants' Academy; Montpelier High School for girls aged 11-16, located alongside its sixth form, V6, for girls and boys; and Venturers' Academy, the first state-funded school in Bristol for students aged 4-18 diagnosed with Autism and with an EHCP. Our academies are happy, vibrant and exciting places to learn and work and are led by a team of talented, morally driven and committed Headteachers.

There are 4 essential questions that we ask within our Trust:

- Why do we exist? Our mission is to challenge education and social equality through the power of education.
- How do we deliver our mission? Our shared vision is to ensure all children of all backgrounds are all succeeding.
- How do we behave? This is through our shared values. Our shared values are to be kind, work hard and have courage.
- Finally, how do we measure success? We want happy children from all backgrounds acquiring the knowledge to achieve their aspirations and to make a contribution to their community.

The Trust is jointly sponsored by the Society of Merchant Venturers and the University of Bristol which gives us tremendous opportunity to enhance learning in its broadest context and offer opportunities unique to our Trust.

The Society of Merchant Venturers (SMV) is a philanthropic organisation that works with and supports people and communities from the wider Bristol area through education, care for older people, charitable giving and social enterprise. In education, SMV's simple but highly ambitious vision is to transform the life-chances of students from the richly diverse set of schools within Venturers Trust, both during their educational journey and beyond. SMV's expertise in education spans more than four centuries and today, the commitment is practical as well as financial, with many of its members taking active roles in the governance of Venturers Trust and the wide range of schools within the Trust. SMV firmly believes there is nothing more important to the health of communities than outstanding education and training in life skills for young people.

The University of Bristol ranks as one of the top 10 universities in the United Kingdom. It is actively involved in the governance of our schools. The university offers support in areas such as curriculum development, subject expertise, higher degree and research opportunities for staff at Venturers Trust. It also offers student mentoring and an innovative and inclusive programme for students as part of the university's commitment to widening participation and access to higher education. These activities include extensive support and opportunities for our Sixth Forms including scholarships, preferential offers of grades to gain a place, with the additional possibility of bursaries to support undergraduate degree studies.

Both sponsors seek to ensure that all our young people receive a truly inspiring education. Their hands-on support, challenge and expertise are greatly valued.

Venturers Trust is fortunate to be able to recruit and retain the very best staff. In addition to contractual entitlements such as annual leave and occupational pension, we recognise the important role our staff play by providing for them a range of benefits as well as flexible employment arrangements and a family-friendly approach.

Our current benefits (*for all staff on Venturers Trust contracts and working over 10 contractual hours per week*) include:

## Living in Bristol

Barton Hill Academy is located in the city of Bristol very close to the open fields of Bath and North Somerset and easy travelling distance from country villages and further afield. Academy staff have an enviable choice of places to live within a city and region that is viewed as one of the areas with the highest quality of living in the UK.

Bristol itself is a beautiful, vibrant and fashionable city. Its harbour, which weaves its way through the heart of the city is lined with restaurants, clubs and bars, museums, arts, science and media centres. The narrow winding streets, radiating from the water's edge, reveal elegant parks and squares and stunning architecture. Recently the city celebrated Brunel 200, the 200th anniversary of the birth of Isambard Kingdom Brunel, one of the most inspirational engineers of the 19th century and the person responsible for some of the great icons of Bristol's industrial heritage. Bristol is the 8th largest city in the United Kingdom with a population of over 400,000. Built on the confluence of the Rivers Avon and Frome, it has been in existence from well before the time of the Romans.

Bristol grew to be one of the most important cities in England during the Middle Ages as a result of its port and in 1497 the brothers Sebastian and John Cabot, sponsored by the Merchant Venturers, sailed from the docks to mainland America, landing in Newfoundland. A working replica of their ship, The Matthew, can be seen in the harbour today.

Bristol is the largest city in the Southwest and the region's leading centre for business, culture and education. It has been the subject of a massive programme of investment and regeneration that has had a major impact on its retail, leisure and business facilities. The city has a long tradition of trade and engineering, and is also home to many of the newer financial services and creative and media industries. It is also close to some of the most beautiful countryside and coastal areas.
